CURRENT OFFER

Campaign overview

Rollover Readiness Review positions Cumulus 401(k)/403(b) Rollover with a current, product-specific marketing offer: A retirement-transition campaign that provides a no-cost rollover analysis and transfer-fee reimbursement. This wealth campaign is written for advisory conversations where fit, suitability, disclosure, and tax considerations matter as much as the incentive. The offer should support a measured proposal, not replace the advisor's fiduciary or best-interest analysis.

PRIMARY CLIENT PROMISE

No-cost rollover options review plus transfer-fee reimbursement up to \$250 for qualifying rollover assets. The value proposition is a structured decision process for employer-plan assets without treating rollover as the only option.
