CURRENT OFFER

Campaign overview

Brokerage Transfer Advantage positions Cumulus Brokerage Accounts with a current, product-specific marketing offer: A self-directed brokerage transfer campaign for investors consolidating outside assets. This wealth campaign is written for advisory conversations where fit, suitability, disclosure, and tax considerations matter as much as the incentive. The offer should support a measured proposal, not replace the advisor's fiduciary or best-interest analysis.

PRIMARY CLIENT PROMISE

Transfer bonus from \$100 to \$2,500 based on qualifying net new brokerage assets. The value proposition is a consolidation incentive that offsets transfer friction while preserving self-directed control.
