CURRENT OFFER

Campaign overview

Roth Auto-Contribution Builder positions Cumulus Roth IRA with a current, product-specific marketing offer: A retirement-savings offer that rewards eligible clients for setting a disciplined contribution schedule. This wealth campaign is written for advisory conversations where fit, suitability, disclosure, and tax considerations matter as much as the incentive. The offer should support a measured proposal, not replace the advisor's fiduciary or best-interest analysis.

PRIMARY CLIENT PROMISE

\$75 account credit after six monthly automatic Roth IRA contributions of \$100 or more. The value proposition is a behavior-based incentive that supports regular retirement saving without implying tax eligibility.
