AT A GLANCE

Overview

A Cumulus 6-Month CD is a short-term Certificate of Deposit that locks in a fixed Annual Percentage Yield for 180 days. It is ideal for funds you won't need immediately but want to keep liquid within the next half-year — a tax payment, a planned purchase, or the shortest rung of a CD ladder. The rate is guaranteed for the term, and every dollar is FDIC-insured up to applicable limits.

WHY A 6-MONTH CD

Key benefits

COMPETITIVE FIXED RATE Competitive fixed rate Lock in 4.25% APY (4.35% APY jumbo) for the full 180-day term — no rate risk during the term.	SHORT COMMITMENT Short commitment Half-year maturity keeps your savings within reach while earning meaningfully more than a liquid savings account.
INTEREST FLEXIBILITY Interest flexibility Receive interest monthly, quarterly, or at maturity — credited to the CD or to any Cumulus deposit account you designate.	LADDERING-FRIENDLY Laddering-friendly The shortest rung of a CD ladder. Pair with 12, 36, and 60-month CDs to diversify across terms.
FDIC INSURANCE FDIC insurance Insured up to \$250,000 per depositor, per insured institution, per ownership category.	SIMPLE OPENING Simple opening Open online, in the Cumulus app, or at a branch in minutes. Fund from a Cumulus account or by external ACH.

INTEREST PAYMENT OPTIONS

Clients may elect to receive interest monthly, quarterly, or at maturity. Interest paid out before maturity is deposited into the Cumulus account you designate and does not remain in the CD; a withdrawal of interest reduces the effective yield. APY assumes interest remains on deposit until maturity.

ACCESS BEFORE MATURITY

Early-withdrawal penalty

Because the rate is fixed, funds deposited into a Cumulus 6-Month CD are intended to remain on deposit until the maturity date. If you withdraw principal before maturity, an early-withdrawal penalty equal to 90 days of simple interest on the amount withdrawn is assessed. The penalty may be deducted from the amount withdrawn and, if it exceeds the interest accrued, from principal. Withdrawals following the death or adjudicated incompetence of an owner are exempt from the penalty.

SCENARIO	PENALTY	EFFECT ON PRINCIPAL
Standard early withdrawal	90 days of simple interest	Deducted from interest accrued; may reduce principal if interest is insufficient.
Death or adjudicated incompetence of owner	Waived	No penalty — full principal and accrued interest paid.
Within 7 days of account opening	Waived	No penalty (Regulation D/DD rescission period).
At maturity — within 10-day grace period	No penalty	Principal and interest available; no penalty assessed.

WHAT HAPPENS NEXT

At maturity

STEP	WHAT HAPPENS
Maturity date	Your CD reaches maturity on the date stated at account opening (180 days from the funding date). Interest accrues through the maturity date.
Grace period (10 days)	Cumulus provides a 10-calendar-day grace period after maturity during which you may withdraw funds, change the term, add or withdraw principal, or close the CD — without an early-withdrawal penalty.
Automatic renewal	Absent instructions, the CD automatically renews for another 6-month term at the then-current posted APY. Cumulus will send a maturity notice 30 days in advance.
Closure or transfer	Instruct Cumulus during the grace period to deposit the matured balance into a Cumulus Checking, Savings, or Money Market account, or to wire or ACH the balance to another institution.

COMMON QUESTIONS

Frequently asked questions

What's the difference between the Standard and Jumbo APY?

The Jumbo rate (4.35% APY) is available on opening deposits of \$25,000 or more. The Standard rate (4.25% APY) applies to deposits of \$1,000 – \$24,999. Both tiers are FDIC-insured.

Can I add to my CD after it's opened?

Cumulus CDs are not add-on products. Once funded, the principal is set for the term. You may, however, add funds during the 10-day grace period at maturity or open a second CD at any time.

What happens if I don't take action at maturity?

The CD renews automatically for another 6-month term at the then-current posted APY. Cumulus sends a maturity notice 30 days before maturity so you have time to plan.

Can I open this as an IRA CD?

Yes. Both Traditional and Roth IRA CD titling are available. Contribution limits and tax treatment are governed by the Internal Revenue Code; consult your tax professional.

Is interest compounded or paid out?

Interest on a 6-Month CD is compounded daily. You elect at opening whether to receive it monthly, quarterly, or at maturity. Interest paid out of the CD does not continue to earn interest.

DISCLOSURES & REGULATORY NOTICES

Important disclosures

§ Annual Percentage Yield (APY) is accurate as of the effective date shown and assumes interest remains on deposit until maturity (for time deposits) or for 365 days (for liquid accounts). A withdrawal of interest will reduce earnings.

§ Fees may reduce earnings on the account. Variable rates may change at any time at the Bank's discretion, except where a fixed term is stated. Cumulus Bank will provide 30 days' advance written notice of adverse changes to account terms.

§ Deposits are insured by the Federal Deposit Insurance Corporation (FDIC) up to applicable limits (\$250,000 per depositor, per insured institution, for each account ownership category).

§ Disclosures are provided pursuant to the Truth in Savings Act (Regulation DD, 12 C.F.R. Part 1030) and the Electronic Fund Transfer Act (Regulation E, 12 C.F.R. Part 1005).

§ Funds availability is governed by Regulation CC (12 C.F.R. Part 229). Large deposits, new-account holds, and redeposited items may be subject to extended availability.

§ APY is fixed for the stated term. Upon renewal, the new APY will be the Bank's posted rate for the same term on the renewal date, which may be higher or lower.

§ The early-withdrawal penalty is 90 days of simple interest on the amount withdrawn, calculated at the interest rate in effect on the CD at the time of withdrawal. If interest accrued is insufficient to cover the penalty, the penalty is deducted from principal.

§ IRA CDs are subject to applicable IRS rules regarding contributions, distributions, and required minimum distributions. Consult your tax advisor.
