AT A GLANCE

Overview

Cumulus Money Market is an interest-bearing deposit account that combines the yield of a savings product with the everyday convenience of checks, debit card, ACH, and wire transfers. Clients who maintain higher balances are rewarded with meaningfully higher Annual Percentage Yields, stepping up through five tiers to a top rate of 4.10% APY on balances of \$250,000 or more. Balances below \$10,000 earn a modest base rate — for the strongest yield on smaller balances, consider Cumulus High-Yield Savings.

INTEREST & YIELD

Rate tiers

Money Market APY is determined daily based on your end-of-day collected balance. The entire balance earns the APY for its tier — a straight-tier, not blended-rate, method. Interest accrues daily using the Daily Balance method and is credited on the last business day of each statement cycle.

BALANCE TIER	APY
Under \$10,000	0.50%
\$10,000 – \$24,999	2.00%
\$25,000 – \$99,999	3.40%
\$100,000 – \$249,999	3.85%
\$250,000 and above	4.10%

TIP — CROSSING INTO THE TOP TIER

Clients with \$225,000–\$249,999 may wish to consolidate linked external accounts or laddered CDs that have matured into Money Market to cross the \$250,000 threshold and capture the top tier APY of 4.10%. Your Cumulus banker can help model the yield differential.

COMMON QUESTIONS

Frequently asked questions

Money market or high-yield savings — which is right for me?

High-Yield Savings is optimal for savers with balances under \$50,000 who want the strongest yield without check-writing. Money Market is optimal for clients with larger balances who want check-writing, debit, and wire capabilities. Many clients hold both.

How are tier rates applied if my balance changes?

Cumulus uses a straight-tier method. Each day's interest is calculated at the APY corresponding to that day's end-of-day balance. The entire balance earns a single tier rate, not a blended rate.

Does this account pair with Premier Checking?

Yes. Money Market balances count in full toward the Cumulus Premier Checking combined-balance tier calculation, which can raise your Premier relationship APY and waive additional service charges.

Can I write more than 5 checks in a cycle?

Yes. Checks above 5 per cycle are honored at a \$5 per-item excess fee. Most Money Market clients do not exceed the included limit.

Is there a penalty for closing the account?

No. You may close your Money Market account at any time. The balance and any accrued, uncredited interest will be paid to you at closing.
