COMMON QUESTIONS

Frequently asked questions

Do I really earn interest from the first dollar?

Yes. Statement Savings pays 0.25% APY on all balances with no minimum-balance threshold to begin earning. Interest is accrued daily and credited monthly.

How does the Premier relationship bonus work?

Link Statement Savings to a Cumulus Premier Checking account. At the end of each cycle, Cumulus identifies your Premier combined-balance tier and applies the corresponding bonus APY on top of the 0.25% standard rate — up to 0.30 percentage points at Tier 6.

Is there a limit on how often I can withdraw?

Cumulus maintains a voluntary six-per-cycle advisory limit on convenience transfers to help clients save. ATM withdrawals, in-branch withdrawals, and mailed official checks do not count.

Can I open a savings account for my child?

Yes. Minor accounts are available for children age 0 through 17 under the Uniform Transfers to Minors Act (UTMA) with a custodian. There is no monthly service charge for accounts opened for minors.

DISCLOSURES & REGULATORY NOTICES

Important disclosures

§ Annual Percentage Yield (APY) is accurate as of the effective date shown and assumes interest remains on deposit until maturity (for time deposits) or for 365 days (for liquid accounts). A withdrawal of interest will reduce earnings.

§ Fees may reduce earnings on the account. Variable rates may change at any time at the Bank's discretion, except where a fixed term is stated. Cumulus Bank will provide 30 days' advance written notice of adverse changes to account terms.

§ Deposits are insured by the Federal Deposit Insurance Corporation (FDIC) up to applicable limits (\$250,000 per depositor, per insured institution, for each account ownership category).

- § Disclosures are provided pursuant to the Truth in Savings Act (Regulation DD, 12 C.F.R. Part 1030) and the Electronic Fund Transfer Act (Regulation E, 12 C.F.R. Part 1005).
- § Funds availability is governed by Regulation CC (12 C.F.R. Part 229). Large deposits, new-account holds, and redeposited items may be subject to extended availability.
- § The Premier relationship bonus APY is available only when Statement Savings is linked to an active Cumulus Premier Checking account. The bonus is determined at the end of each statement cycle based on the Premier combined balance.
- § The voluntary six-per-cycle withdrawal limit is an advisory guideline. Cumulus will not return transactions in excess of the limit; a \$10 per-item advisory fee may be assessed after three consecutive cycles in excess of the limit.
