WHY A PERSONAL LOAN

Key benefits

FIXED RATE, FIXED PAYMENT Fixed rate, fixed payment Your interest rate and monthly payment are set at closing and do not change. Plan your budget with confidence.	NO ORIGINATION FEE No origination fee The full loan amount is disbursed to you — no 1%–5% origination fee deducted up front, as is common at other lenders.
NO PREPAYMENT PENALTY No prepayment penalty Pay extra or pay off the loan in full at any time with no prepayment fee. Every extra dollar goes to principal.	AMOUNTS UP TO \$75,000 Amounts up to \$75,000 Borrow \$3,000 to \$75,000. Ideal for consolidating multiple credit card or BNPL balances into one fixed payment.
FAST DECISIONS Fast decisions Most complete applications receive a decision the same day; funding typically occurs within 1–3 business days.	RATE DISCOUNT FOR AUTOPAY Rate discount for autopay Enroll in automatic payments from a Cumulus deposit account and receive a 0.25% APR discount for the life of the loan.

APR BY TERM AND CREDIT

Representative rates

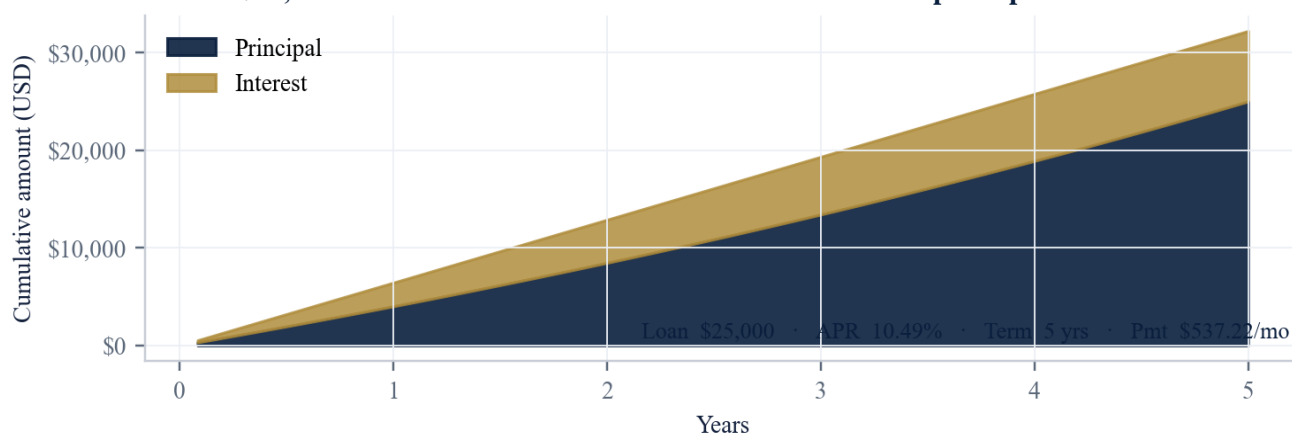

The Annual Percentage Rate offered to you is set based on your FICO score, debt-to-income ratio, requested loan amount, and the term you select. The table below shows representative APRs for borrowers at different credit tiers for a 60-month, \$25,000 loan, including the 0.25% autopay discount. Your actual rate will be disclosed on your pre-approval offer and on your Truth in Lending (Regulation Z) disclosure at signing.

CREDIT TIER	REPRESENTATIVE APR	MONTHLY PAYMENT (\$25,000 · 60 MO)	TOTAL INTEREST PAID
Excellent · FICO 780+	7.99%	\$506.91	\$5,414.60
Very good · FICO 740–779	10.49%	\$537.35	\$7,241.00
Good · FICO 700–739	13.99%	\$581.68	\$9,900.80
Fair · FICO 670–699	18.99%	\$648.19	\$13,891.40
Near floor · FICO 670 / high DTI	23.99%	\$719.19	\$18,151.40

WHY DEBT CONSOLIDATION OFTEN MAKES SENSE

If you are carrying balances on multiple credit cards at a blended APR above 18–22%, consolidating into a Cumulus Personal Loan at a fixed lower APR can meaningfully reduce total interest paid and convert revolving, variable-rate debt into a predictable installment payment with a defined payoff date.

COMMON QUESTIONS

Frequently asked questions

Will checking my rate hurt my credit?

No. Pre-qualification uses a soft credit inquiry and does not affect your credit score. A hard inquiry is submitted only when you choose to proceed with the full application.

How fast will I receive funds?

Most approved loans fund within one to three business days after signing. Debt-consolidation loans paid directly to creditors may take up to five business days for the creditor to post.

Can I pay off my loan early?

Yes. There is no prepayment penalty on any Cumulus Personal Loan. Extra payments and full prepayment go 100% to principal and reduce total interest paid.

What is the 0.25% autopay discount?

Enroll in automatic monthly payments from a Cumulus deposit account and your APR is reduced by 0.25 percentage points for the life of the loan. If autopay is later cancelled, the discount is removed and the rate returns to the non-autopay APR.

Can I use a Personal Loan to pay off credit cards?

Yes — debt consolidation is one of the most common uses. Cumulus can disburse loan proceeds directly to your existing creditors to simplify the process. You'll replace multiple variable-rate balances with one fixed monthly installment.
