COMMON QUESTIONS

Frequently asked questions

Does the 3% bonus apply to online grocery orders?

Yes. Merchants classified by Visa under grocery-store merchant categories earn 3% — including most major online grocery services that bill as grocery. Warehouse clubs and superstores (e.g., mass retailers) generally do not qualify under this category.

How do I redeem cash back?

Cash back is available for redemption as soon as it posts. Redeem at any amount as a statement credit, a direct deposit to any Cumulus deposit account, or a Cumulus eGift card. There is no minimum and no expiration while your account is open.

What does "no penalty APR" mean?

Unlike some issuers, Cumulus does not raise your APR if you make a late payment. Late fees still apply, but your rate on existing and new purchases remains at your standard APR.

Can I transfer a balance from my other credit card?

Yes. You can request balance transfers at application or any time thereafter in the Cumulus app. New-account balance transfers made within 60 days of account opening qualify for the 0% APR intro rate for 15 billing cycles.

Does this card build credit?

Yes. Cumulus reports your account and on-time payments to all three major credit bureaus each month. Responsible use — keeping your balance below 30% of your credit line and paying in full each cycle — helps build and maintain a strong score.
