# KYC Profile - Permadyne GmbH, LTD

Comprehensive generated KYC profile assembled from Salesforce Account data, related-record counts, and deterministic demo enrichment where source data is incomplete.

|               |                    |
|---------------|--------------------|
| ACCOUNT ID    | 001am00000qvjsIAAA |
| CUSTOMER TYPE | Business           |
| RISK RATING   | Medium (63/100)    |
| GENERATED     | 2026-05-29         |

CUSTOMER DUE DILIGENCE

## Executive KYC summary

This profile summarizes the KYC posture for Permadyne GmbH, LTD. The current generated risk rating is Medium with a score of 63/100. The profile combines live Account fields with deterministic enrichment so demo documents remain complete even when optional KYC fields are blank.

**Review posture** Generated information is a banker draft and must be reconciled with the Salesforce record, approved systems, and policy procedures before any customer-facing use.

| Field           | Value                                               |

AML AND SANCTIONS

Risk assessment

| Field            | Value                                                                                        |
|------------------|----------------------------------------------------------------------------------------------|
| KYC risk rating  | Medium (63/100)                                                                              |
| Risk drivers     | non-US address requires geography review; large reported revenue; larger operating footprint |
| PEP screen       | No match indicated                                                                           |
| Sanctions screen | No match indicated                                                                           |
| Adverse media    | No adverse media indicated                                                                   |
| Review cycle     | Semiannual                                                                                   |
| Next review date | 2026-11-29                                                                                   |

EXPECTED RELATIONSHIP ACTIVITY

Financial profile

| Field                | Value                                                    |
|----------------------|----------------------------------------------------------|
| Source of funds      | Operating revenue                                        |
| Source of wealth     | Real estate and operating assets                         |
| Expected activity    | Monthly deposits \$100,000; monthly wires/ACH \$800,000. |
| Beneficial ownership | Two controlling owners expected                          |
| Industry             | Healthcare & Life Sciences                               |
| Annual revenue       | \$850,000,000                                            |
| Employees            | 4100                                                     |

Expected activity is generated from the Account profile and should be compared with observed account behavior once transactions, treasury usage, deposits, or lending balances are available in the system of record.

| Related counts | Not queried for this run or no related records found |

REQUIRED REVIEW

KYC controls and document checklist

| Control                         | Status / required action                                                |
|---------------------------------|-------------------------------------------------------------------------|
| Identity verification           | Validate documentary or non-documentary evidence before approval.       |
| Address verification            | Confirm physical address and mailing address against approved evidence. |
| Beneficial ownership            | Two controlling owners expected                                         |
| Sanctions / PEP / adverse media | Review generated screen outputs and resolve any possible match.         |
| Source of funds / wealth        | Validate against banker notes, documentation, and observed behavior.    |
| Ongoing monitoring              | Set review cadence to Semiannual based on generated risk.               |

132 additional non-empty fields were omitted from the PDF table for readability; rerun with JSON export support if a full machine-readable extract is needed.

## GENERATED CONTENT CONTROLS

## Policy notes

---

- This KYC document is generated from Salesforce data plus deterministic demo enrichment for missing banking KYC details.
- Generated enrichment should be treated as plausible placeholder content, not verified customer information.
- Real KYC approval requires policy review, source-document validation, sanctions screening, and appropriate sign-off.
- Do not send this generated PDF to customers without replacing placeholder content and completing compliance review.

## DEMO GUARDRAILS

## Disclosures and controls

---

Generated KYC documents are demo artifacts for JDO and Cumulus Bank scenarios.  
Demo asset. Fictitious customer data. Not for production customer communications.

## Align the relationship team

Use this document to coordinate treasury, lending, service, and relationship-management actions for business customers.
